

Ongoing service opportunities

If you have to earn service hours for a club or any other reason, I would love for you to do them with Grace.

1. **SERVE** is every 3rd Wed of the month. We meet at 6:00 pm and sort food in the food pantry. Come casual, there are always cool things to do. They close at 8 pm so you will want to be picked up by 7:45 pm.

2. **George Town Community Center tutoring-**

Darlene is in charge of this very rewarding ministry. Tutoring at GTS is on Tues and Thursdays. There is always some student that needs to read to you, listen to you, help with homework or just help them with some school issues. If you are interested, please contact Debbie Cali and I will help you connect.

There are multiple other things that we can work on such as visiting some ill members, weeding the flower beds, working in the giving garden, mowing the lawn, shoveling snow, mulching, and cleaning out closets.... There is never a dull moment around here so ... please do not hesitate to tell me the amount and kind of hours you need to work and we will put our heads together to see how to accomplish your goal!
