Please keep this side for your info and turn the other side in.

Important Information for VBS Volunteers

Mark your calendar for our Volunteer Info Meeting, Thursday, July 13 at 7:00 pm in the Fellowship Hall. This is an important meeting where you'll get lots of info about your volunteer job and meet other volunteers. Please make every effort to attend!

Most Volunteers will need to arrive at VBS by 5:30 pm on Sunday, and by 5:45 pm on Monday-Thursday.

We will make every effort to place you according to your station choices, however please understand that it is sometimes necessary to use your talents elsewhere.

Except for special circumstances, we will not assign parents to be leaders of their child's group.

Please note that children who meet the age cut-off but who are still in diapers/pull-ups are welcome to participate in VBS as long as a parent is able to be on the premises as a volunteer. If a diapering incident arises during VBS hours, we will need the parent to take care of changing the diaper.

Please be sure to let us know if you need childcare for younger children during VBS so that we can arrange for adequate nursery staff.
