April 2017

May 20, 2017 8:30 am to 1:00 pm

Mark your calendars and join the fun as GRACE UMC sets forth on May 20th for our hands-on mission day of projects both here at the church and off –campus. This day is specifically designed to allow all ages, abilities, and kind hearts to roll up their sleeves and help make a difference in our community, our nation and internationally.

Projects will include: making 10,000 packaged meals through Rise Against Hunger—formerly known as Stop Hunger Now, and preparing 1,000 health kits for UMCOR to be collected at the Virginia Annual Conference, assemble flood buckets for those experiencing flooding disasters from storms and hurricanes, working in the community garden to help grown nutritious food for those in need, helping with home repairs so that low income homeowners can maintain their homes to the community standards, preparing meals for SERVE/packing lunches for Labor Finders, writing cards to our military, sending cards to our shut-ins, preparing teaching kits for Honduras, and much more!
