

OUR CLASS Newsletter

MARCH

From:

Ms. Nancy and

Ms. Phyllis

This just in...

It is time to celebrate all things GREEN!! We will celebrate the luck of the Irish with St. Patrick's Day!! We think that leprechauns might just show up and bring some luck and some mischief!! And, while we are talking about green, we are reminded that if you have never tried them, perhaps you might like "Green eggs and Ham". We will spend all month reading Dr. Seuss books, and doing fun activities, because his creativity is just too awesome for one day!!! We will help Sam I am out, we will talk about a Fox and socks, and Feet, Feet , Feet!!

We will have some fun spirit days to celebrate Dr. Seuss. We will have crazy socks and Wacky Wednesday along with others. We will also talk about St. Patrick's Day. We will do a science project where we have the colors come out of skittles candies to make a rainbow. And leprechauns sure love rainbows!! Well, I think he likes to find the gold at the end of the rainbow too!!

Please, as the children are growing and as the weather continues to get warmer, periodically check the change of clothes in backpacks, that it is weather appropriate, and the correct size.

We will explore the following books: Green Eggs and Ham, Fox in Socks, Hop on Pop, The Foot Book, Wacky Wednesday, The Grinch Who Stole Christmas.

We will be exploring the colors of the rainbow. And we will be practicing our shapes and doing crafts that reflect our knowledge of both of these. We will continue our name recognition activities.

Important Dates:

March 2 – Dr. Seuss' birthday,
March 2-6 – Dr. Seuss spirit days

March 17 – St. Patrick's Day –
watch for leprechauns!

March 20 – spirit day – crazy socks
