

Book Week

Slow down and find a comfy spot to read. Encourage your family to journal, to write a story or make your own book!

Family Book Club

Choose a book that the whole family can read this week with the goal of watching the movie version at the end – with lots of popcorn, of course!!

A few to consider:

- Charlotte's Web
- The Lorax
- Inkheart
- Tale of Despereaux

Memory Maker

Summer Vacation Books!

Take pictures throughout the summer, print them and attach to cardstock; add in a date and short memory; attach with a binder ring. This will be a treasure for years to come!
