

Guide to Indoor, In-person Worship

- Familiarize yourself with the health acknowledgement poster (next page). Review of this poster is required of all in-person church gatherings. If you cannot answer YES to all the questions then please participate in online worship instead.
- Register by 11:59pm Thursdays, prior to any service, or you may call or email the church office.
- During this phase, we welcome people ages 2 years old and up to indoor worship.
- Wear a mask, covering mouth and nose, upon exiting your vehicle. Masks are required the entire duration in the GUMC building and on the campus.
- Entrance to the building will be through the narthex doors facing Hendley Rd.
- Doors will open at 10:30am for the 11:00am service. Please allow extra time to go through the check-in process.
- Hand sanitizing stations are available at the entrance and restrooms near the sanctuary will be open.
- Upon entry, please check in at one of the health-screening tables to confirm the information on the health acknowledgement poster. If you cannot answer YES to all the questions then you will not be able to attend worship that day but we look forward to seeing you another day.
- Ushers will direct you to pews. Every other pew is available for social distancing purposes. Pews are marked with tape (green=ok and red=not ok).
- You are welcome to hum but congregational singing is not permitted.
- At the conclusion of the worship service, ushers will dismiss people by row.
- As you leave worship, please continue to wear your mask and to social distance inside and outside the building.
- For added safety the sanctuary is cleaned and disinfected after each worship service.
