

# Guide to Indoor, In-person Worship

- Familiarize yourself with the health acknowledgement poster (below). Review of this poster is required of all in-person church gatherings. If you cannot answer YES to all the questions then please participate in online worship instead.
- Register by 11:59pm on Thursdays, prior to any service, or you may call or email the church office.
  - If you haven't pre-registered, you are welcome to head to Grace for 11am worship on Sundays, but keep in mind that space is limited!
- Wear a mask, covering mouth and nose, upon exiting your vehicle. Masks are required the entire duration in the GUMC building and on the campus.
- Doors will open at 10:30am for the 11:00am service. Please allow extra time to go through the check-in process.
- Upon entry, please check in at one of the Welcome Tables to confirm the information on the health acknowledgement poster. If you cannot answer YES to all the questions then you will not be able to attend worship that day but we look forward to seeing you another day.
- Every other pew is available for social distancing purposes. Pews are marked with tape (green=ok and red=not ok).
- Congregational singing is now permitted. Keep your mask on while singing.
- As you leave worship, please continue to wear your mask and to social distance inside and outside the building.
- For added safety the sanctuary is cleaned and disinfected after each worship service.
