## February Newsletter 2023

### Valentine's Day

We will celebrate Valentine's Day in the classroom with many different activities, including a Valentine exchange. Please send in 16 (peanut free) Valentines. Please leave the "To" section blank, and simply fill in the "From" section. This is a wonderful chance for your child to practice writing their names! We will decorate bags to collect our Valentines in, so no need to send any of those from home.

### February Plans!

**Social Studies**—We will learn about President George Washington, and President Abe Lincoln!

**Science**-We will talk about our five senses, nutrition, and dental hygiene.

**Language Arts**-We will learn letters Y, R, X, G, and their sounds. We will continue working through the Handwriting Without Tears book. We will continue to focus on how letters make up words, and words are what make up our stories. We also continue to work on our comprehension while actively listening to the story. We are also doing a lot of activities with rhyming.

**Math**-We will learn the value of coins this month, and even graph a coin grab. We will continue our counting and recognizing numbers 1-20. We will celebrate 100 days of school this month with fun activities and more info will come home regarding that as we get closer!
