## MAY

### Review

We will be going over all the things we have introduced this year. Our letters, numbers, words, nursery rhymes and silly words.

We will double up on show and tell days, so everyone gets one more turn.

### OUR LEARNING

#### focus...

Spring is finally here as well as the warm air, and we have ants in our pants! The children have been full of energy enjoying each day here at school.

Our caterpillars are in their chrysalis, ask your child what metamorphosis is. They loved the book *The Very Impatient Caterpillar*. We also have a preying mantis egg in our room, fingers crossed it hatches before our year is over.

### Reminders

May 29<sup>th</sup> Holiday  
No School

May 31<sup>st</sup>  
Graduation 10am

June 2<sup>nd</sup> Last Day of  
School

### Bakery

The bakery has been a huge hit. The children made salt dough cookies, donuts, and other items for their bakery. Thank you for all your support this year!
